The SKMB Vision...

“We see a Church passionately in love with God, led by His Spirit on mission, bringing Jesus’ Gospel of redemption and restoration to the four corners of Saskatchewan.”

Can You Help Us?

Kendra Gullacher (Administrative Assistant @ Philadelphia MB Church) is taking the lead on updating and revising a new digital directory for the Conference. She will be connecting to update all church contact information and request some new information on your present Leadership Team (board, council, elders, etc.). The purpose of this project is to enhance our communication, ensuring that strategic members of our SKMB community receive timely and relevant information about their Conference. You're invited to join us in making this venture a success.

Look for it...

In the next few days, leaders in the SKMB community will be receiving a brochure explaining a new equipping resource called “Discovery”. Discovery will help churches and camps gain spiritual and missional perspective, with the goal of responding to the challenges they are facing. Success in Discovery is understood to be listening to God and being faithful to Him.
