

*You can help lead the Church in reaching Canada
and beyond with the Good News of Jesus Christ.*

June 4, 2026

To the pastors, boards, and congregations of our CCMBC churches,

Grace and peace to you in the name of Jesus.

For more than 50 years, MB Seminary has been forming leaders for our family of churches, and it has rarely been more vital or more creative than it is today. Through Teaching Church partnerships across the country, integrated theological and pastoral formation, and a growing cohort of students preparing for pastoral, missional, and chaplaincy ministry, MB Seminary is helping CCMBC raise up the next generation of Christ-centred leaders. We are writing to invite your church into a deeper partnership.

MB Seminary exists to educate and equip men and women who help lead the Church in reaching Canada and beyond with the Good News of Jesus Christ. That vision is taking shape in tangible ways:

The Teaching Church model is connecting seminary formation directly to the life of local congregations, so that students learn in the very contexts where they will serve. Theological education is more accessible to bivocational pastors, second-career students, and ministry leaders already serving their churches.

Committed faculty continue to teach, mentor, and write out of deep love for the church and confidence in the gospel.

This is a moment of real momentum. Fall 2025 marked MB Seminary's highest total enrolment in five years, and Spring 2026 saw the highest Teaching Church enrolment in the Seminary's history. Our churches need trained, faithful leaders, and MB Seminary is well-positioned to help raise them up. Your church's partnership makes that possible.
