Hello SKMB Family,

Most of us are likely at the tail end of digging out from the weekend’s snowfall. Hopefully, everyone is safe and well. The Leadership Forum was cancelled due to the approaching inclement weather and likely poor road conditions.

SKMB leadership felt that it would be of benefit to reconvene the “**SKMB matters**” component of the Leadership Forum as it deals with some significant pieces of our mission and ministry.

Therefore, on Thursday, **December 5th** (7 pm), we will convene an online town hall meeting to cover the agenda of the “**SKMB matters**” time.

Agenda (relevant docs sent previously)

- 2024 financial update
- 2025 budget
- Strategic Investment Fund
- Strategic Blueprint
- Assembly 2025
- Discipleship Coach
- Leadership Collective discussion

The National Ministry Team invites you to participate in a week of prayer with our national MB family on January 5-11, 2025. We will be holding online prayer meetings each day, led by a member of our National Ministry Team. The theme of the week is Pray First. Pray Always. We will be leaning into the topics of unity and mission: as we unify ourselves as God's people, we can do a better job on mission, representing the vision and values of Jesus our leader.

Join us as we start 2025 off by praying first and praying always together as a family!

This November, the **MB Churches of Canada**, and by extension, **SKMB**, became an official sponsor of [Ignite Prayer Canada](#)!

[Ignite Prayer Canada](#) envisions 1,000 churches across Canada cultivating vibrant cultures of Kingdom prayer. The organization claims that every church has the potential to be a presence-centered house of prayer.

"Our passion is to equip and empower church leaders and churches in cultivating a culture of Kingdom prayer that aligns with God's heart and purposes. Prayer isn't a religious ritual, duty, or agenda item; it's a powerful and transformative practice of communication and communion with God that activates his Kingdom mission on earth"

[Ignite Prayer Canada](#) offers practical resources on how to establish a prayer ministry, how to create a prayer strategy, and how to engage your church in prayer. Connections to networks, stories, events and like-minded individuals to find inspiration and support are also provided.

I encourage all members of the SKMB family to consider connecting with the mission and using the resources of [Ignite Prayer Canada](#) to further empower the gospel work in your specific setting.
