Global Gospel Advance

Athanase Chiruzza

MPC Pastor and GGA Ambassador

Personal Update

God is always faithful to me and my family. Our family in Canada is doing well. In April, Beata and I visited our daughter Ruth and her family in Australia. I was also able to minister in several churches in Melbourne. I thank God for his traveling mercies.

Ministry Update

My ministry with Mission Pentecostal Church is going well. We have more than 70 attending, many of whom are new and have been in Regina for one year. The challenge for them is finding jobs.

Together, Mission Pentecostal Church and Carmel Pentecostal Church are continuing in preparation for the June 28-30 conference in Regina. We will have Canadian and international guests. The theme of the conference is Revival. We expect to have more than 200 attendees and five main speakers: Rev. Jean Bake from Australia, Rev. Erick from USA, Multiply Missionary Doug from Canada; Rev. Bitariho from Canada, Ev Charles from France. Our SKMB Ministries Director Rev. Phil Gunther and ABMB Director Rev. Paul Loewen will bring words of encouragement.

This will be our first conference.

Global Gospel Advance

The good news of salvation continues to be preached worldwide, through Zoom, in different countries and within Canada. On Sunday, July 26th, Beata, I and Dave Reddekopp went to Gateway Community Church in Canora, SK. to share

about the GGA. I preached on the work of the Holy Spirit in the life of a believer. We gained new friends and had wonderful fellowship.

Our next trip will be to Finland where I am invited to be one of the main speakers at the conference from July 26 to 29. The trip will be via Paris, France, where I will meet with a bishop from Tanzania. On July 20th and 21st we will preach together in Lyon and Paris. We will then travel to Finland. The majority of African diaspora believers feel that the church in Finland came from the one I planted in Zambia.

After the conference, we will leave Finland and go to France to preach in another church in Le

“Sharesies”

SKMB Bursaries and Internship Support

Sometimes it’s fun to go “sharesies” when you’re out with a friend—meaning you each chip in to the cost of the food or activity. Our SKMB bursaries and internship support are a way we as a family of churches go “sharesies” with a younger generation of disciples. One might say it’s a small but practical way we demonstrate the New Testament concept of koinonia (“fellowship”)—which often involved the sharing of material resources.

Blessed to have resources as a conference to share, it’s a joy for our Developmental Leadership Team (DLT) to bless young leaders with a bursary to attend college or financial support to do an internship. As we process a growing number of applications, we get to hear stories of disciples eager to grow in their faith and to be equipped for a lifetime of service.
