### 2024 PASTORS CREDENTIALING ORIENTATION – TESTIMONIES

Praise  
God for the  
opportunity  
to attend the  
PCO. I truly  
believe this is  
enlightening  
and beneficial

for all new comers to MB and those called to leadership and ministry  
in the MB Conference. For myself, this brought answers to my why  
MB?

From the very first day, I could sense the vitality and genuine  
passion of the leadership for sharing their love for Jesus, their  
knowledge, and their experiences in ministry. I felt the unity of the  
Holy Spirit at work throughout the week ministering and enriching us  
as community and family focused on Christ's love, inspired to share  
the Gospel with love and peace, building the Kingdom, with an  
anticipation and excitement that only He can bring to our lives. The  
sessions were very well done; each presenter being engaging and  
personable while sharing. The participation of partners in ministry  
and multiple venues really added value and perspective to the whole  
experience.

I left the PCO excited and inspired; not just having a greater  
understanding and clarity of the MB family, mission and purpose, but  
as well having an anticipation for the future and what God can  
accomplish in and through us as His servants.

Blessings.

Pastor Doug  
Borden, SK.

Attending the 2024 PCO was an instrumental step for me in  
developing my understanding of the Mennonite Brethren and the role  
that our national and provincial conferences are called to play in Canada. As a newcomer to the SKMB  
conference, I was eager to learn more about the MB distinctives so that I might better embody the values of  
the conference. Each presenter was well-prepared and knowledgeable when it came to their given topic.  
During and following each presentation, I found myself engaged in conversation with other new pastors who  
inspired me with their passion and vision for ministry. Naturally, we often exchanged the stories of our  
respective calling to join MB churches. Joining this sort of "cohort" created strong comradery and excitement  
around what the Lord was doing in each of us as we joined the conference.

Ultimately, the 2024 PCO was a very well-organized event with a rich variety of activities, learning environments, and natural opportunities for social engagement with pastors I had never met before. I came away with strong new relational connections and a more robust understanding of the vision, values, and current spiritual calling of the MB conference. I am very thankful for the effort and intentionality that was put into the event!
